SUBMISSION FOR FORMAL DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants herein provide attachment sheets of new formal drawings (Figures 1-2). These drawings comply with the Examiner's requirement to show that the enamel composition is part of the dielectric layer, as claimed in claims 15-20 and as disclosed in the Specification on page 9, lines 21-24. These formal drawings are necessary to comply with the Examiner's decision to require drawings because the invention "admit to illustration by drawing" pursuant to 37 C.F.R. §1.81. No new matter has been added by this submission.

Respectfully submitted,

Guy ROCHE et al.
